GET INVOLVED IN THE UK-WIDE STUDENT MOVEMENT

Every University's Students' Union has Student Reps or 'course reps'. The National Union of Students (NUS) run seminars, conferences and other events in London and across the UK for Student Reps. They are a great way to meet like-minded students from across the country.

STUDENT REP SOCIALS

By being a Student Rep you can get more involved in the Students' Union. It is a great way to meet fellow students and make friends. We have a Christmas social in the Rocket Bar at Holloway Road. Why not organise a social event for the students on your course and invite your teaching staff too?

FAQ

HOW DO I BECOME A STUDENT REP?

Speak to your Course Leader at the start of the semester. Supported by the Students' Union, they will facilitate the election for the Student Rep for your course.

DO POSTGRADUATE COURSES HAVE STUDENT REPS?

Yes. Postgraduate courses including research degree students should have Student Reps.

STUDENT REPS

Student Reps are elected at the start of the academic year by their course mates. Their role is to raise academic and related issues on behalf of the course to teaching staff, the School and University. They liaise with coursemates, provide feedback to teaching staff and act as a communication channel between the University and students. They can signpost students to relevant University services.

WHAT DO THEY DO?

- Represent students on their course
- Listen to students and raise relevant issues on their behalf
- Liaise with course leaders and other staff, acting as a channel of communication
- Attend course committee meetings and Student Rep forums
- Work closely with the Full-time and Part-time Officers for your School
- Play an active part in the Students' Union by getting involved in our other activities such as democracy, sports, societies and media.
- A first step to being elected as a paid, Full-time Officer! Being a Student Rep is a great way to get into the Students' Union and the UK-wide student movement

WHY SHOULD YOU BECOME A STUDENT REP?

- Be directly involved in improving the student experience on courses and teaching at London Met
- It's a chance to make a difference and to help others
- Become an accredited Rep and get it mentioned on your degree transcript – great for future employability
- A way to get involved in London Met Students' Union
- Get a free Student Rep hoody and lanyard
- Opportunity to get paid work through course validation panels

ACCREDITATION ON YOUR DEGREE TRANSCRIPT!

The Students' Union runs an accreditation scheme for our Student Reps. In return for your time volunteering as a Student Rep and providing regular feedback to both your Course Leader and Students' Union, at the end of the year you are entitled to a certificate and a mention on your degree transcript.

WHAT ARE COURSE COMMITTEES AND STUDENT REP SCHOOL FORUMS?

Course committee meetings meet each semester in order to review and evaluate the course. Student Reps are key members of these committees. Student Rep forums are held for reps from a particular School to meet together with the Students' Union Officers, staff and school management.

STUDENT REP OF THE YEAR

Our volunteers are invaluable to the work of the Students' Union. Each year at our annual awards ceremony, we celebrate their contributions. The title Student Rep of the Year is awarded to the Rep who has made an outstanding contribution during the course of the year. This could be you!
