

MARCIN SARNECKI

Hi

My name is Marcin. I have study business studies at college and now I do the same but in high level. By this study I can work and develop myself in lots of demands and that is the reason to stand for this position as I know that I will make a success of these roles. furthermore I have been work in lots of projects and been involved lots of team roles that meet with this potions and I did this during my college and I do it now as I am the star of the business management course. Please vote for me and I promise you will not regret.
