NUS National Conference 2017

National Conference is the sovereign policy-making body of National Union of Students (NUS) and brings together nearly a thousand delegates from students' unions across the country to discuss, debate and vote on motions and elect the political leadership of the organisation for the year ahead.

London Metropolitan University Students' Union is affiliated to the NUS and sends four delegates to the Conference, the SU President and three others. Our delegates to the Conference must be at least 50% self-defining female.

The National Union of Students of the United Kingdom welcomes your participation at our National Conference 2017 to be held in Brighton on 25 – 27 April 2017.
