

SAMANTA JHURRY

Samanta Jhurry - Student Council Member

Since the time I joined London Metropolitan University I have been very keen to get involved in University Events and Met SU. Hence I joined International Students Society as Treasurer and have been working for the society since 4 months. I believe being a Student Council Member will give me the chance to represent students of London Met on a bigger scale.

My Vision:

- 1) To represent students of FSSH
- 2) Maintain the transparency within the SU Operations
- 3) To work on the concerns of the students in the best way possible
