- Recruit at least 25 members
- Attend Society training
- Hold at least one meeting and take minutes
- Provide the SU with your society's social media

in order to achieve gold, your society must:

- Complete the Society Registration Form
- Recruit at least 50 members
- Attend Society training
- Hold at least one meeting and take minutes
- Provide the SU with your society's social media

There are also cash supplements for each level of accreditation!

You can also get in touch or pop into the Students' Union building to talk about fundraising ideas. From bake-sales to sponsored runs, we're here to support any ideas you might have to help make a difference at the University!
